

Financial Education

If you feel overwhelmed by your financial situation, or just want to learn more about how to successfully manage your money, Hopelink can help!

We can help you learn about:

- Managing money.
- Opening a bank account.
- Building and keeping good credit.
- Prioritizing bills and managing debt.
- Establishing a savings plan.
- Protecting your identity and preventing fraud.
- Finding trusted resources to help you navigate financial decisions.

Hopelink's financial education program is FREE.

We work with individuals, small groups, and large classes.
